IV MENU AND PRICING

Immunity

Tri-Immune \$175

Strengthen your immune system with these 3 powerful ingredients. Glutathione, vitamin C and zinc. This powerful combination helps to fight infection, increase blood flow, maintain healthy blood sugar, and contains the "master antioxidant" to protect against free radical and cellular damage

Immune Boost \$200

Starting to feel sick and under the weather? Then this drip is for you. Fluid infused with vitamin C can help to shorten the duration of cold and flu symptoms

Super Immune Boost \$250

High-dose vitamin C gives the body even more protection against infection. High levels of vitamin C increase antioxidant benefits as well as skin and tissue repair.

Anti-Aging

Soul Glow \$175

This drip combines ingredients that will strengthen your hair skin and nails. In addition, this drip can help with immunity and mood. Beauty starts from within and the hydration of soul glow gets the job done.

NAD (see pricing)

Okojie Wellness offers prescription NAD+ IV drip therapy which has been shown to increase cognition and combat the effects of auto-immune disease and TBI. Benefits include mental clarity, improved concentration, and recall.

NAD has been termed the "anti-aging" molecule. DNA repair, cell regeneration, energy production, and increased anti-aging compounds are just some of the benefits of this powerful drip. After the age of 40 NAD levels significantly decline and have been associated with aging.
